

We are looking for kids ages 9 to 12 to become a member of the KIDZ BOP Kids! If you think your child's got what it takes, send us a short performance video. They must be able to REALLY sing, dance and act. If they can also play an instrument let us know!

Please reference the KIDZ BOP commercials, music videos and live tour videos online to see the caliber of talent we are looking for and the style of music and dancing that should be featured in the audition video.
